Karen,

The total amount for the Fireman should be 2,225.04. She only took 1,713.68. I am sending you a snippet of the amount that should have been due. My only assumption is that she only took what she needed to equal to the overall payment needed for the month. They have a remainder due of 511.36.

Thanks,

Tiffany Lowery

Karen,

Please note that you will need \$2,225.04 for Fund 1805-502 (Rural Fire Dept) for Workers Comp. This total should be added to reflect the workers comp totals needed for the year.

Honorable Judge Gerald Robinson,

The increase that you are proposing for the Volunteer Fire Departments in the Public Safety Sales Tax money we are asking that all Departments receive an even share, as it stands out of the 14 Departments 5 of them do not receive a full share. With the increase you are proposing we are asking for those 5 Departments to be giving a full share and with the remaining money be equally spilt among the 14 Departments. This would greatly help each Department bring their equipment up to date and make it safer for the Firefighters and the Citizens of Jefferson County.

Attached to this is letter is the breakdown of how much we each currently receive from the Public Safety Sales Tax.

Respectfully submitted,
Eddie Anderson-President
