PLAINTIFF

v.

CASE NO. 4:18-CV-00919-BSM

JEFFERSON COUNTY, *et al.*

DEFENDANTS

ORDER

John Powell's motion to alter or amend [Doc. No. 31] is denied and his motion for attorney fees and costs [Doc. No. 32] is granted in the amount of \$7,350.00 and \$678.50 respectively.

A default judgement was granted to Powell on his Americans with Disabilities Act (ADA) and Family and Medical Leave Act (FMLA) claims because defendants failed to timely answer the complaint. Doc. No. 17. Powell was awarded \$20,150 after a damages hearing. Doc. No. 26. Powell now seeks \$16,080.00 in attorney fees and \$678.50 in costs. Ex. D., Mot. Att'y Fees at 9–10, Doc. No. 32. His request for costs is reasonable; however, his fee request is unreasonable.

In ADA and FMLA cases, prevailing plaintiffs may recover reasonable attorney fees and costs. 29 U.S.C. § 2617(a)(3); 42 U.S.C. § 12205. The lodestar method, which is typically employed to determine the reasonableness of attorney fees, multiplies the number of hours reasonably expended by the lawyers' hourly rates. *See Perdue v. Kenny A. ex rel. Winn*, 559 U.S. 542, 546 (2010). A reasonable fee "is one that is adequate to attract competent counsel, but does not produce windfalls to attorneys." *Vines v. Welspun Pipes*,

Inc., 2020 WL 3062384 at *2 (E.D. Ark. June 9, 2020). Lawyers should bill at hourly rates that are commensurate with the prevailing rates billed by lawyers of comparable skill and experience for performing similar legal services in that community. *West v. Border Foods, Inc.*, 2007 WL 1725760 at *2 (D. Minn. June 8, 2007). Additionally, the attorney fees awarded should be comparable to the fees that lawyers would traditionally collect from fee-paying clients. *Hill-Smith v. Silver Dollar Caberet, Inc.*, 2020 WL 4741917 at *1 (W.D. Ark. Aug. 14, 2020). Excessive, redundant, and unnecessary hours should be excluded from a fee award. *See Hensley v. Eckerhart*, 461 U.S. 424, 434 (1983).

Powell is requesting reimbursement for \$16,080 in attorney fees and \$678.50 in costs. Luther Sutter is requesting an hourly rate of \$400 and Lucien Gilham is requesting an hourly rate of \$350. Ex. A & Ex. B, Mot. Att'y Fees at 3–6, Doc. No. 32. Sutter and Gillham state that they combined to expend 43.2 hours. Ex. D., Mot. Att'y Fees at 9–10, Doc. No. 32. Gillham's hourly rate as first-chair counsel is reasonable; however, Sutter's hourly rate as second-chair counsel is not reasonable given the simplicity of this case. Moreover, 43.2 hours is unreasonable given that defendants failed to answer the complaint and a default judgement was entered. For example, Sutter and Gillham collectively billed 19.5 hours in preparation for a damages hearing that lasted approximately one hour and that raised neither complex, nor novel issues. Despite not even attending the damages hearing himself, Sutter billed 7.6 of those hours. Additionally, the two lawyers routinely overbilled for reviewing orders and other court filings, including instances when they each billed 0.3 hours to review court orders

24
CCB

that were exactly two sentences long. *See* Doc. Nos. 6, 12.

In light of the foregoing, Powell will be reimbursed \$5,250 for Gilham's bill, representing fifteen billable hours at \$350 per hour. Powell will also be reimbursed \$2,100 for Sutter's bill, representing six billable hours at \$350 per hour. He is awarded \$678.50 in costs.

IT IS SO ORDERED, this 11th day of January, 2021.

SUBJECT: Appropriation needed for Flood Mitigation Assistance Grant

The Federal Emergency Management Agency (FEMA) has awarded funding to Jefferson County for a mitigation project in order to reduce the flood damage potential along the Arkansas River. The Flood Mitigation Assistance Grant program has awarded \$857,685.15 for the county to purchase eight properties and demolish the homes on those properties. The official notification letter is attached.

There is a small cost share for this grant from the homeowners. The homeowners have signed Memorandums of Understanding agreeing to pay their cost share and will provide payment to the county upon request.

An appropriation is requested for the total project amount of 878,129.18. A separate fund should be created by the County Treasurer to keep the grant funds separate as co-mingling of federal fund is not permitted. This appropriation is to be placed in the OEM, Department 500 budget line item 4001, Land Purchases.

Jefferson County is eligible to receive up to 5% of the total project amount for management costs related to this project.
